**Subject:** SH Bell Tier 1 Homes

Hello all,

I hope everyone had a nice Thanksgiving! Now that we have all Level IV data in and the residential notification letters are out, there are 7 more homes that have results over 1200 for lead. I'm not sure if you would like to contact the residents about sensitive populations the same way as last time, but if there is anything that Cheryl or I can do to help please let me know.

Thanks,
